## **PRESIDENTS REPORT 2018-20**

Welcome to our yearbook as you are aware this book will be covering a two-year period so we do hope you enjoy reading and catching up with all that has been happening throughout the past two years.

We have had some fantastic highs and some devastating lows over the past year this has taken a large toll on our club and also its staff.

Firstly, Whakaari White Island and then we were hit with Covid-19 both of these have made for extremely trying times and we will be seeing the effects of these for a very long time.

We have made some big changes to the club in the past two years with a lot of upgrades. Some to the Pokies as well as bringing a new phone system in and upgrading our till system, also we have improved the sound system throughout the club and have invested in a new big screen which has been greatly received by the members.

Also, we now send all invoicing etc electronically this has been a long-awaited process and has helped make our office more efficient. Please make sure the office team have your email address.

Our membership is strong, and we are still seeing a big monthly growth in memberships so the club is definitely the place to be in Whakatane.

### **SPONSORS**

Mark has been extremely busy getting to know our sponsors and we have seen a growth with new sponsors that have come on board, he is working hard on building our sponsorship base.

Mark has made some great changes and we now have available a sponsors prospectus and this is available at the office for anyone interested in investing in our fantastic club.

We had our yearly sponsors evening and what a huge success this was even with covid-19 so a big thanks must go out to those fantastic sponsors that came and bid on the grid map it was a lot of fun. Remember we must support these local businesses as they are at the heart of our business.

### **TOURNAMENTS**

Well every year we are just getting better and better, there have been a few changes to the tournaments, and this has been very well received and has reflected in the angler numbers. We are looking forward to the new season. Thanks once again to Roddy and Barry our weighmasters for the job they do at our weigh station.

### **FINAL WORD**

I would like to take this opportunity to thank Mark our Manager and Linda and Marion our office team and the bar staff for keeping the club up and running with the difficulties that we have had to face, and also to the hard working committee for always making themselves available it is a pleasure to be working beside you all.

Karmann Tresidder  
President

## **PATRONS REPORT 2019-20**

From where I see things, this past year has probably been the most tumultuous time the Whakatane Sportfishing Club has ever experienced.

From losing members at Whakaari, COVID-19, employing a new Club Manager in Mark, changing caterers and several other curve balls that have been thrown at us. This club has accepted these challenges head on in the 2019/2020 year.

I think the Committee and Manager have handled these events admirably.

There are so many thankless hours involved in running the club, handling staff and so on, I salute them.

The Whakatane Sportfishing Club was built on goodwill and lots of hours of thankless toil by some very generous people, especially our sponsors. Let's remember them and try to keep the goodwill and kinship going. Every member is a small part of the club's success. The friendliness within the club is a vital ingredient that make us the most successful and sought-after fishing club. Let's keep it that way.

## MANAGERS REPORT 2019-20

I was appointed to the position of Club Manager on the 22nd of July 2019. After a long career as an airline pilot, I felt it was time to slow down and relax...

Although I had spent the last few decades flying I also spent many years sitting on various boards including the New Zealand Red Cross. I thought I had seen most of what management of an organisation could throw my way. How wrong I was!

When I arrived at the club it was transiting on many levels, it seemed to me that although our club was in a strong general position it needed to evolve if it were to remain relevant. The age-old adage that if you are not moving forward you are going backwards sprang to mind instantly.

One of the things that instantly appealed to me and if I'm honest the main reason I agreed to take this job was the people. I remember driving home from my interview with the committee and saying to my wife "I don't know love, there's something about these people I really like!" The passion, enthusiasm, and dedication the governance group shared was very appealing to me. The rest, as they say is history.

Financially the club appeared to be in a relatively strong position. As with anything, we can always do better and we have worked very hard over the last 12 months to maximise and improve our financial position. The management team have been working through every aspect of our club to ensure it operates as efficiently as it can, this work will continue over the next 12 months. We have seen many changes and additions around the club over the last year. Some of this was asset replacement and some of it was positioning the club to be able to deliver our club members and sponsors the environment they wanted.

We have seen significant increases in our 2 main income streams. For the first 9 months before the COVID lockdown we saw sponsorship revenue increase by 70% and our bar income by 5%. Unfortunately we didn't see a similar pattern with our gaming income and we can only conclude that player boredom has a part to play in this, that is why the committee have approved a significant upgrade to our gaming machines, this process is under Internal Affairs approval.

While the last financial year was a year of change this coming year is one of consolidation, building on improvements we have made.

Like the rest of New Zealand, we were impacted severely by the COVID lockdown. We spent a total of 12 weeks completely closed and another 3 weeks operating under stringent level 2 restrictions. Although myself and our accounts team worked extremely hard to minimise the damage, we incurred significant losses over this 15-week period and this went on to take the shine off what was shaping up to be a solid year. We are still in a very strong position and have traded our way through this period without having to dig into our reserves, this is an enviable position amongst many clubs. I would like to thank our amazing accounts and office managers for helping me navigate these uncertain times.

The most daunting part of this job from a personal point of view was overseeing our tournaments. I certainly had big shoes to fill in this regard! I was extremely lucky to have the support of an incredible committee who helped and guided me through every step. I'm the first to acknowledge when things weren't as well done as they could have been, I certainly made some mistakes but for the most part our anglers supported and encouraged me. This has given me the confidence and determination to make this coming season as successful as it can be. We will have to continue to navigate the uncertain financial times the nation will surely have but I will do my utmost to ensure that we have a great fishing season.

On a positive note we saw massive increases in anglers fishing our tournaments compared to the previous year. Every tournament saw an increase with the average increase across all tournaments 20%. This is not only great for our club but super exciting for our sponsors!

This is a fantastic base from which to continue to build on our tournaments and I look forward to a very positive future.

As I mentioned earlier I have sat on many boards over the years, some as a board member, some as the chair. Given this experience I feel I am able to make a fairly accurate assessment of a board and it's leadership. I have been extremely lucky to serve under a very supportive committee over the past 12 months. Thank you Guys.

I would like to pay a special tribute to the club President, Karmann Tresidder. Karmann has been an amazing advocate and someone who I can lean on in troubled times. Karmann and I have built a special relationship and I look forward to working with her in the year ahead. She is without doubt the best board chair I have been involved with. Just wish she would stop calling me rude names!

In closing, we have all had a massive year of challenges and change. I hope this coming year is one where we can take stock of the work we have done.

All the best everyone.

Mark Read  
Club Manager

The fishing season got off to a false start with conditions on November the 9th proving unsuitable. The tournament was moved to the following weekend and got underway on Saturday the 16th in great weather. 26 boats and 85 anglers entered and were competing for their share of the \$15,000.00 prize pool and the Clarry Collier Memorial trophy for the winner of the 7 Species section of the tournament.

From the 26 boats that entered only one team managed to catch all 7 species consisting of Snapper, Mau Mau, Trevally, Tarakihi, Kahawai, Red Gurnard and John Dory.

The winning team was off Weebuck consisting of Bob, Jenny, and Glen Buckton. They caught all 7 species with a combined catch weight of 6.45kg.

The Junior Snapper section was taken out by Ashton Hyde off Frostbite with a 2.28kg catch. The Ladies heaviest Snapper went to Debbie O'Malley off Navaho with a 3.67kg Snapper. Ian Askin landed a 5.30kg beauty to take 1st place in the men's section. Ian was fishing off He Ika.

The Whakatane Sport Fishing Club are proud to present the.....

# WEALTHPOINT TEAM RUSSELL CHRISTMAS HAMS TOURNAMENT 2019

## THANK YOU TO OUR SPONSORS

- Wealthpoint Team Russell
- Whakatane Hunting & Fishing
- Whakatane New World

Our annual Christmas Hams Tournament kicked off as planned on Saturday the 7th of December and concluded on Sunday the 8th. Anglers were fishing for five species. Kahawai, Trevally, Red Gurnard, Tarakihi and Snapper.

35 boats and 118 anglers were competing for \$5500.00 worth of hams!

After the Postponement of the 7 Species Tournament in November it was good to get the Hams Tournament underway in fantastic conditions.

After two days of fishing Peter Black off Killarney took out the heaviest Kahawai with a fish of 2.41kg. This was a close section with only 200gms separating the first 3 fish.

Tony Hill fishing off Annjakana won the Trevally section with a 1.54kg catch. Jo Taylor "brought home the bacon" out on Coz I Can and weighed in a .68kg Red Gurnard.

The heaviest Snapper went Jimmy Magee off Maximum weighing in a Snapper of 5.50kg.

It was a great lead into Christmas and the quality of the hams was outstanding, these were supplied to the club by Whakatane New World.

42 boats and 113 anglers took to the water in this years Whakatane New World Juniors Tournament. The tournament ran from Thursday the 9th of January through to Saturday the 11th in fantastic conditions.

Two age groups fought it out for over \$25,000.00 in prizes, the under 11 years and the 12 to 17-year age groups.

As with previous years a team from the Bay of Islands Sword Fish club travelled down to compete in our juniors' tournament. They had a fantastic time while in the Eastern Bay fishing off Goose Haddocks boat Plan B and staying at committee member Romey Penwardens house. Thanks both for helping make the team from the Bay of Islands have a memorable stay at our club.

Our junior anglers targeted Kingfish, Snapper, Kahawai, Trevally and Tarakihi over the 3 days of competition.

Every angler that competed took home a prize and the feedback we had at the club was that it was a fantastic tournament. In fact, some went as far to say it was the best junior's tournament in over two decades!

Also, up for grabs were the Don Hills trophy for the angler with the most IGFA points, this was taken out by Danielle Taylor. The Crosland Shield for the most meritorious catch went to Darnell Van der Werf, the McCracken Farm trophy for the heaviest Snapper went to Wyatt Johnstone with a catch of 7.75kg.

The Kevin McCracken Memorial Trophy for the heaviest Kingfish went to Bailey Carmichael with a kingie of 23kg.

The Whakatane Sportsfishing Clubs junior team to represent the club at the Bay of Islands later in the year was also chosen. Carson Edwards, Marley Orr, Joel Griffin and Wyatt Johnstone were all picked to make the trip north with Amy Fleming at reserve. Unfortunately the trip and the tournament were eventually cancelled due to the COVID-19 lockdown. Eligible members will have the chance to represent our club again in 2021 receiving an automatic qualification.

All in all this years juniors tournament will go down as one to remember, bring on 2021!

Our Wonderful Junior team to represent our club at the Bay of Islands. Trip was unfortunately cancelled due to the COVID lockdown

# WE SUPPORT PROVINCIAL BUSINESSES TOO.

FMG has been a big part of rural New Zealand for many years. But we haven't just been insuring farmers. We also support the rural and provincial businesses that work alongside farmers. We have a team of commercial specialists across the country to provide you with advice and cover to suit your situation. The way we see it, the fewer interruptions your business has, the fewer interruptions your clients will have - who just happen to be our clients too. Ask around about us. Or better still, give us a call on 0800 366 466.

This years OneBase tournament was run over the 24th, 25th and 26th of January in near perfect conditions. We had a massive increase in entrants this year with 103 boats and 314 anglers entering the tournament. With a total prize pool worth over \$115,000.00 including a fishing safari to Norfolk Island for four it was not surprising that this year's edition of our OneBase was so popular.

This was the first year that Whakatane Hunting & Fishing came onboard as the naming rights sponsor to complement their other commitments to our club. This relationship is very strong and we continue to build on this moving forward with this partnership.

The 2020 OneBase had a few rule changes including the option to stay away which has proven to be very popular amongst those competing. A real focus on this year's tournament was to continue the move towards measure and release fishing and this was very productive especially in the Kingfish section. The team off Sea-K can attest to this taking out the top three prizes in a masterful display of Kingfish angling over the three days of competition.

The other big change was in the Marlin section where the main prize was allocated to the heaviest Striped Marlin. This gave more anglers the opportunity to be involved in this section and again, was met with a lot of enthusiasm from our anglers. This was eventually taken out by one of our top junior anglers Marley Orr when he weighed in a 113.4kg Striped Marlin.

The other notable catch of the tournament came in the Snapper measure and release section where the wily old dog Joe Anderson off Joe's Boat measured a horse of a snapper at 103cm! Joes boat eventually scooped the snapper section taking out the top five placings in this section.

Overall, it was a fantastic tournament supported by some amazing sponsors and anglers, the committee have a great foundation from which to build this tournament into the future. The 2021 OneBase will kick off on the 18th of March and this should see even better catches!

Cannot Wait!!

## Hardcase Story

Shimano have been great supporters of our club for many years. This year the team from Shimano decided to bring their new boat down and spend the weekend showing us how it's done. An expectation that seemed reasonable...

One of the team members, AJ, is a young fulla and until OneBase hadn't managed to land his first game fish despite being a very capable angler in his own right.

This was the year AJ was going to break the spell and with the recent run on Yellowfin things should be looking promising to do just that. He had the support of some great teammates who had loads of experience and would surely help AJ realise his dream?

Day two dawned. Mint, this was the day. AJ was pumped although these three-day tournaments are a measure of endurance as much as anything and poor old AJ was feeling the pinch, just a bit. Get a good morning in chasing Yellowfin then, a bite to eat then maybe a little lie down while the boys keep an eye on his line. Sounds like a plan AJ.

The boys from Shimano are nothing if not disciplined, AJ had a plan and he was sticking it. As planned after a morning without any luck AJ had his lunch then curled up in the cabin for a well-earned nap. "Give me the nod boys if my reel lights up and I'll be back in a flash" Gee AJ didn't want to miss out on his first game fish just because he needed a break.

AJ drifted off to sleep happy in the knowledge he had some of the best and trustworthy team mates on board to look after him...

AJ was in a deep sleep when..... The familiar scream of the Tiagra came rushing into the cabin! Could it be? AJ woke immediately, stumbled on to the deck. YES! AJ's reel was going off! AJ had seen heaps of YouTube videos and done loads of reading in preparation for this very moment. He grabbed his rod, took his stance, and started to play the thing. "It's a donkey boys!" "stoked".

AJ played the thing hard, solid fish. Don't lift the tip too high, take my time, trust my gear...

Although AJ was a touch weary nothing was going to get between him and this Yellowfin.

"solid fish boys! Hasn't put a run on me yet, just solid! Yeehaa!"

Leader! "I can see flashes of kinda white, must be silver and the sunshine..."

After a short but epic fight AJ finally gets his catch to the boat. "she should make weight aye boys? Bloody felt like it!" AJ walked over to the side of the Shimano to assess his catch.

WHAT! The Shimano crew in unison announced that it was a BUCKET FISH of the Resene Paints variety.

Moral of the story? Always sleep with one eye open when your fishing the Whakatane Hunting & Fishing OneBase!

Better luck next year AJ.

The 2020 edition of the Ladies Tournament kicked off on the 13th of March and concluded on the 15th in fantastic conditions. As it was with every tournament in the 2019/2020 season we saw a massive increase in anglers fishing this tournament from the previous year. 177 anglers went toe to toe to grab their share of the \$90,000.00 prize pool.

The Ladies were targeting Marlin, Tuna, Kingfish, Snapper, Tarakihi and Trevally. With the exception of the Most Tag & Release Marlin all categories were focused on the heaviest.

As with the OneBase, this tournament will move more towards measure and release moving forward and a move in this direction will come into effect in 2021. The 2021 tournament will return to its traditional time slot and kick off over Waitangi weekend, the 5th through to the 7th of February 2021.

In addition to the standard prize pool, Davey Painters came onboard to sponsor the trip to Rarotonga for the winner of the heaviest marlin section, this was taken out by Louise Hubbard fishing off Whero Nui when she weighed in a Striped Marlin tipping the scales at 133.40kg.

Other class winners were Naomi Barrett off Nauti Lady with her 4.99kg Trevally, Britney Miller off Taito with her 2.30kg Tarakihi.

The heaviest Snapper section was taken out by Tania Simons off Blurred Lines with her 8.10kg catch. Heaviest Kingfish went to Ellise Robinson fishing on Morning Glory with a 32.20kg Kingie. Only one Tuna was weighed in and that was Tania Simons off Blurred Lines, Tania weighed in a 17.80kg Yellowfin.

Chelsie Braithwaite took out the Tag & Release Marlin fishing off Pescatore.

As it turned out the Ladies Tournament was the last tournament the club would hold for the 2019/2020 season. Shortly after a very successful tournament COVID-19 struck and into lockdown we went...
